Mayor's Performance Report

Boston Public Library

Quarter 4, Fiscal Year 2009

April 1, 2009 – June 30, 2009

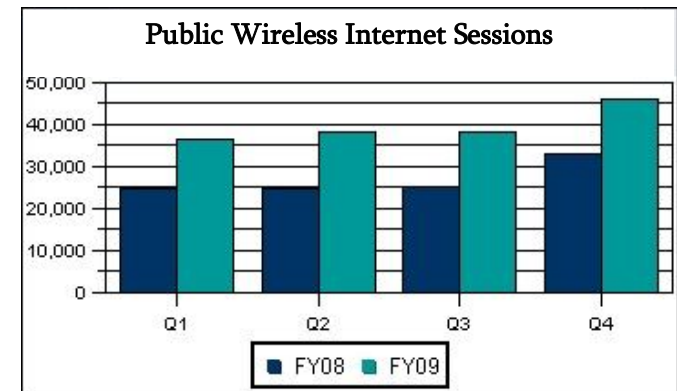

Thomas M. Menino, Mayor

Measure Notes

- Books, DVDs and AV materials accessed per capita: The number of library materials circulated per capita is calculated annually at the end of the fiscal year.

Measure Definitions

Children using library cards: This measure represents the number of children (birth through sixth grade) using library cards.

Teens using library cards: This measure represents the number of teens (grades seven through twelve) using library cards.

Adults using library cards: This measure represents the number of adults (ages eighteen years and up) using library cards.

Boston residents newly registered for library cards: This measure represents the number of Boston residents newly registered for library cards each year.

Boston residents using library cards: This measure represents the number of Boston residents using library cards each year.

Books, DVDs and AV materials accessed: This measure represents the number of library materials (books, DVDs, and AV materials) that are circulated.

Books, DVDs and AV materials accessed by Boston residents: This measure represents the number of library materials (books, DVDs and AV materials) that are circulated to Boston residents.

Books, DVDs and AV materials accessed per capita: This measure represents the number of library materials (books, DVDs, and AV materials) circulated to residents of Boston divided by the population of Boston reported in the 2000 Census (589,141).

Digital downloads of books, music, videos and maps: This measure represents the number of digital downloads (books, music, videos, maps) performed by the public.

Homework assistance program (HAP) participants: This measure represents the number of students receiving academic assistance from high school-aged tutors.

Visits to BPL website: This measure represents the number of visits to BPL's website

Public wireless internet Sessions: This measure represents the total number of public wireless internet sessions that happen in the BPL system.

Public internet sessions using BPL computers: This measure represents the total number of public internet sessions using BPL computers. This measure excludes wireless internet sessions.

FTE: This measure represents the number of full time equivalents in the department.

Externally Funded FTE: This measure represents the number of full time equivalents in the department funded by outside sources.

% of Workforce-people of color: This measure represents the percentage of people in the department which are not categorized as white.

% of Workforce-women: This measure represents the percentage of people in the department which are women.

% of total person hours absent: This measure represents the percentage of total hours lost due to sick, AWOL, FMLA & tardy, among others. Hours lost due to vacation, personal time, and injury are not included.

Hours absent per employee: This measure represents the total number of hours absent per employee. Hours absent includes such categories as Sick, FMLA, AWOL, & tardy, among others. It does not include lost time due to vacation, personal time, or injuries.
